info@barnethillacademy.org.uk

From Friday January 31st, 2020 we're changing the way your Child's fees will be paid to Barnet Hill Academy.

We're partnering with **GOCARDLESS** UK's Leading BACS Payment Service Provider

As Salam Alaykoum

As a school we're always trying to implement technology to streamline processes and reduce inefficiency. Time saved means reduced administrative costs and more funds available for your child's education.

Currently the process of collecting fees, manually reconciling and keeping track is an extremely time-consuming task. The inefficient process means that too much human resources are allocated to ensuring that our systems are kept up to date and accurate for auditing and accounting purposes.

We are now implementing a simpler more efficient system for collecting fees. We are partnering with one of the UK's leading payment providers GoCardless (<http://www.gocardless.com>) to manage all payments.

For Parents this will save a lot of time also as you just need to visit this link <http://www.barnethillacademy.org.uk/fees-payment> and then you will be redirected to a form which you need to complete only once. Thereafter your payments will automatically be paid on a monthly basis. You will receive an email every month notifying you once the payment has been made.

From Friday January 31st, 2020, we will no longer be accepting cash, credit/debit card or bank transfers as a means of payment.

Please ensure that by the date advised this form has been completed so next terms payments are done via GoCardless. There are no exceptions to this rule.

Yours faithfully

Amreena Husain
