

Uniform Policy

Nov 2020
V3.0

1. Uniform / Dress Code

A school uniform plays an important role in upholding the ethos and values for the School and in setting an appropriate tone; pupils need to be suitably dressed for the day ahead. A smart appearance helps to maintain high esteem in the community.

Our school uniform:

- i) supports positive behaviour and discipline
- ii) encourages identity with the School ethos
- iii) ensures pupils of all races and backgrounds feel welcome
- iv) protects children from social pressures to dress in a particular way
- v) promotes good relations between different groups of pupils

In wearing of uniform in school, on trips and on journeys to and from school, the uniform can instil pride, encouraging identity with, and support for, their own religion which in turn affects their attitude to the School and to their studies.

Wearing a uniform identifies a pupil with their school. We very much hope that pupils will wear their uniform with some pride in recognition of the ways that pupils are treated, the work expectations of them and the support provided for them.

Pupils are expected to have this uniform on from the time when they enter the School gates and until the time when they leave the school gates. Ideally pupils will leave home and return home with their uniform on, however what pupils wear outside the School gates is outside our jurisdiction.

2. All pupils in general:

- i) No jewellery other than a simple small watch. Girls may also wear simple ear studs.
- ii) Make-up including kohl (surma) and nail varnish are not allowed at the School.
- iii) All clothing should be neat and tidy and in a good, ironed state.

3. PE uniform:

Physical Education (PE) plays a very important role in the curriculum and the overall wellbeing of the students. Students are encouraged to become independent learners as well as team players and have all items for this specialist lesson.

PE takes place twice a week; One session with the class teacher, this will take place during Monday to Thursday, known as 'Day 1'. The second PE sessions takes place on Friday with Coach and the PE team, known as 'Day 2'.

- i) During Monday to Thursdays (Day 1) students should wear the regular school uniform from the morning and bring P.E. uniform with them to change into. Depending upon the timing of their PE lesson, some students/classes, may be able to return home wearing their PE uniform whilst some students/classes may be required to change back into school uniform to carry out lessons until the end of the day. On

occasions this may fluctuate depending upon circumstances i.e. weather, ad-hoc timetable changes and the like.

- ii) On Fridays (Day 2) P.E. uniform should be worn to school from the morning, all throughout the day. Students should arrive to school wearing PE uniform and will return home in PE uniform as PE activities and related activities run throughout the school day.
- iii) Students not in full P.E. uniform during either PE session will not be allowed to participate due to the Health & Safety needs of physical exercise and the nature of activities being participated in as well as the need for student participation in teamwork.

3. Non-compliance with the Uniform Policy

- If a child breaches the uniform policy, the teacher will talk to them to find out why they are not in full uniform and remind them of the need to be in correct uniform. The class teacher will also communicate this to the parent via email/phone call.
- The second time a child breaches the uniform policy, the teacher will talk to them to find out why they are not in full uniform and a warning will be given. This warning will also be communicated to parents via a phone call.
- The third time a child breaches the uniform policy, parents will be asked to take their child home and bring them back in full school uniform.

There may be some exceptional and unavoidable situations where children may have to come to school without a part of their school uniform (lost or damaged) if this is the case, we ask parents to contact the class teacher (via school office) on the day to confirm the reason. Where breaches are persistent and over a sustained period of time and where all other avenues have been exhausted, the school may consider exclusion as a last resort depending on the circumstances of the case.

4. Grace Period

There will be a grace period of one month for new pupils when by they will be expected to be in full school uniform. Collective praise for wearing uniform as well as reminders of the need to do so will be given to classes by teachers and within assemblies.

5. Uniform Requirements

Nursery

Girls & Boys	<p>Plain white T-shirt (full or half sleeved depending on parental choice and weather)</p> <p>Plain dark blue, black or grey jumper or cardigan</p> <p>Plain dark blue, black or grey jogging trousers</p> <p>Black shoes with Velcro fastenings - not with laces please. Alternatively, plain black trainers (with Velcro tops) can be worn as long as they are water proof.</p> <p>Please note: No sandals and boots. (If your child walks to school and needs to wear boots in a rainy or snowy day, please ensure to bring their school shoes in a bag and change them into their school shoes on arrival to school).</p> <p>All Nursery parents need to provide the school with a spare set of clothes, including underpants and socks, for their child in a named bag to be kept in school, in case of the need for their child to be changed during the school day. If and when these spare clothes are used, they need to be sent back to school the next day or as soon as possible.</p>
-------------------------	---
